**...engaging the power of the
horse to motivate, teach and
heal**

Dear Friend:

From the Ground Up Therapeutic Horsemanship, Inc. is pleased to announce our 7th Annual Independence Open Horse Show for Riders of All Abilities. From the Ground Up is a 501(c)3 not-for-profit organization that provides horse-related activities and riding instruction to persons with special needs. Since our inception in 2002, From the Ground Up has been changing lives in CNY through the healing, teaching and motivational power of the horse.

Your donation of a raffle or Silent Auction item will enable us to continue our mission to offer empowerment and independence. For many of our students, independence and power are opportunities that are missing from their daily lives. We hope that you will support our efforts by contributing an item, gift certificate or monetary donation. All contributions are tax-deductible to the fullest extent allowed by law. In addition, all donors are prominently acknowledged at our event.

Please fill out the attached form for our records.

From the Ground Up would like to acknowledge the generosity of our donors, families, volunteers, staff and supporters like you. Without this support, this event would not be possible.

On behalf of all of the students, families, volunteers and staff at From the Ground Up, I would like to extend our warmest thanks for your support. Our program could not continue without you!

Sincerely,

Andrea Colella, Director
